Highlight of Quarter
Our new graduate student assistants, Jennifer Green and Ashley Hampton, are the highlight of this past quarter. They began work with us in mid-August, and they have already completed several projects. Jennifer assisted the Palm Beach County Archaeologist during monitoring at DuBois Park and Jupiter Lighthouse. Ashley set up the “Shipwreck on a Tarp” activities for the Southeast and Southwest offices. In addition, both Graduate Student Assistants participated in our Educator Training at John MacArthur Beach State Park. Their efforts will be a great help to both offices as we increase our presence at festivals and events across south Florida.
