What was happening in Florida 15,000 years ago? 8,000 years ago? What were people doing in Florida? What animals were in Florida? What did the coast look like?

March 19th • 11am
Join us for an informative talk about the archaeology of Florida and life in Florida’s distant past with FPAN archaeologist Lis Hylton.

Hernando County Main Library
238 Howell Ave
Brooksville, Fla 34601
