Celebrate Florida Archaeology Month with

Archaeology Day
at the Brevard Museum

When: Saturday, March 29
Activities: 9 a.m. – 12 p.m.
Presentation: 1 p.m.

Where: Brevard Museum of History and Natural Science

Come learn about the people who lived in Florida 12,000 years ago and how archaeologists study them. Hands-on activities include throwing spears, learning about native plants, Pyrotechnology and more!

At 1 p.m., learn about what Florida was like during the Paleoindian period 10,000 years ago. Hear about how humans lived, animals that roamed the state and the plants that created the landscape.
