**JACKSONVILLE IN URBAN HISTORY**

**Chair:**

**Julian Chambilss, Rollins College**

**Panel:**

**Robert Cassanello, UCF**

**Alan Bliss, Valdosta State University**

**Abel Bartley, Clemson University**

After the Civil War, Jacksonville modeled several of Florida’s patterns of urbanization and industrialization. Members of this history roundtable will highlight groups and ideas entering on society and politics at critical moments during Jacksonville’s development. These historians will discuss how their work fits together, and how it connects with larger themes in Florida’s urban history. Audience participation is especially welcome.
